

# D

# d

is for dove

Use a pencil or crayon to connect the dots above and discover a dove.

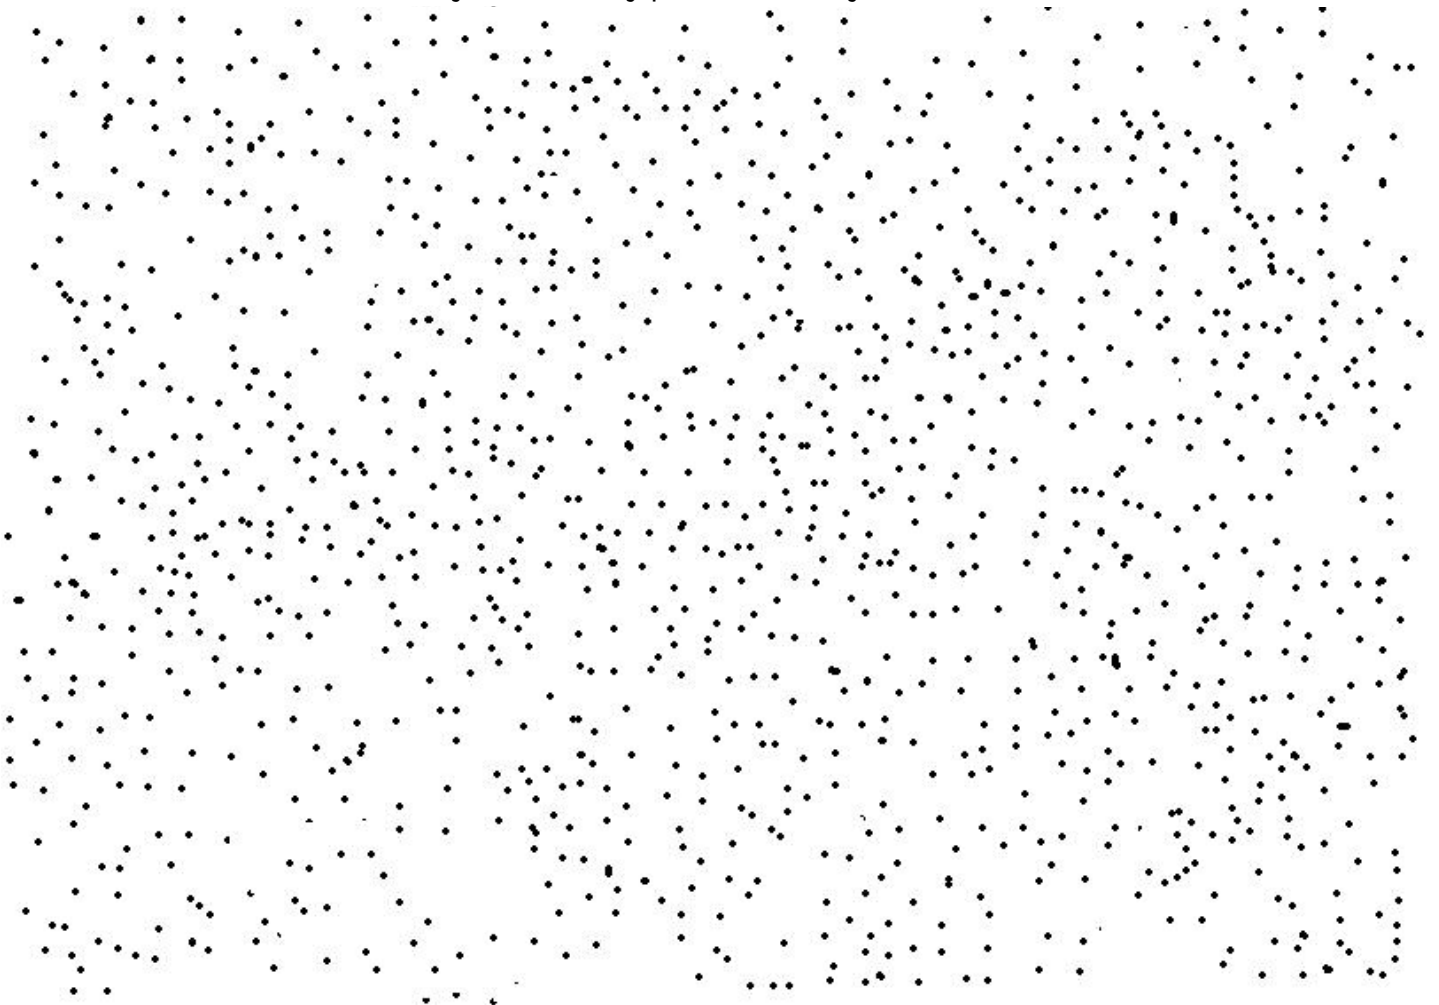

When you are done, color your dove. In the Bible, a dove is a symbol of peace and safety.

# D d is for dots

Dots come in all kinds of sizes and patterns.

Polka dots are big dots that look like circles.

Do you have any polka dots in your house?

Do something dotty.

The picture above shows a bunch of dots. When you play “connect the dots”, you use dots to create a picture. Use a crayon or pencil to “find” pictures or things in the dots above. Your imagination will help you see something in the dots.
