

# The Evolution of Calpurnia Tate

*A Unit Study by Alina Coryell*

## Nature Journal Page 1: Stump Stories

---

What question prompts Calpurnia's begin career as a budding young naturalist? Find the passage from the book and copy the quote below. Make sure to cite the page number.

Go outside and bring a timer. Stare a stump for 15 minutes as quietly as possible and describe the forms of life that you observe. Try to sketch the stump rings below.
